NO TICKEE ... NO LAUNDRY ... Our single biggest problem, logistically, last year was handling the details of those who "left their cards at home" or "lost" them. We're just not staffed, nor equipped, to handle these kinds of situations. Many were legitimate problems, but some folks used "lost cards" as a way of beating the system and passed their duplicate cards around. We finally threw up our hands in desperation! This year A VALID S.O.S. CARD WILL BE REQUIRED TO ENTER THE HEADQUARTERS. IT WILL BE PUNCHED AND YOU WILL BE HAND STAMPED FOR RE-ENTRY. Sorry, but this has been forced on us by those who refuse to pay their own way. Your membership card is your ticket. If you don't have it with you, you'll have to buy another to get in ... there's just no other way to control the situation. Fair warning! **PLEASE KEEP UP WITH YOUR S.O.S. CARD ... O.K.? THANKS!!!**

=====

S.O.S. YEARBOOK DISTRIBUTION ... We'll start passing out the '84 Yearbook to S.O.S. members at 12:30pm on Thursday as they enter S.O.S. headquarters. We request that you PLEASE take only one copy per married couple on Thursday and Friday and wait until Saturday to pick up your second copy as the supply is limited. We think we have enough to cover a copy for each member but we have no way of estimating the number of last minute stragglers who will arrive at O.D. and renew on the spot.

=====

LIMITED EDITION '84 S.O.S. T-SHIRTS ... The attractive 1984 S.O.S. T-shirt will be sold **exclusively** by **The SHAG SHOP** on Main Street. They have a limited quantity (including XL & XXL) so we suggest you **buy** yours **early**. 1980-1983 Official S.O.S. T-shirts are already collectors items! Drop by the Shag Shop, say "hello" to Carolyn and Harry, and check out their wide array of stylish shag and beach attire. They are nice folks & S.O.S.ers!

AUGUST 31 : DEADLINE FOR S.O.S. MEMBERSHIPS BY MAIL

Any applications received after August 31 will be returned ... after the S.O.S. ... We're leaving on vacation on September 1 and there will be no one to check the P.O. Box after August 31. On the spot renewals and guest memberships will be available at O.D. for **\$12 each**. 1984 S.O.S. Yearbooks will be available for last minute stragglers as long as they last.

THE GALLEON ... OFFICIAL S.O.S. HEADQUARTERS ...

Have you been in The Galleon lately? It's plenty big, plush 'n' nice ... and it's the S.O.S. PARTY HEADQUARTERS on September 13, 14 and 15! Harold Worley, owner, came to our rescue and turned over this great facility for our Migration V! The Galleon has two huge rooms, multi bars and a large outside deck and bar. We'll be using the streetside entrance ... the oceanside entrance will be closed in order to secure the area for S.O.S. members only! The galleon will have beach music platters spinning each day and we'll have the hottest new beach music band, HIGH TIDE, there on Saturday afternoon for our entertainment! The other clubs will also have daytime activities going on so that you can migrate around when you wish to take a break from the Headquarters scene. Check their bulletin boards for exact details! LET THE GOOD TIMES ROLL!

"HIGH TIDE" TO PERFORM FOR S.O.S.

They've been dubbed as the best new beach group around, this 7-piece combo - three vocalists and four instrumentalists, out of Greenville, S.C. The group's leader, Tyrone King, is a former member of the Drifters and Archie Bell and the Drells. They have received rave reviews from the press and we're looking forward to their performance Saturday afternoon at 2:30 at the S.O.S. headquarters, The Galleon. No charge for S.O.S. members only! Let's hear it for High Tide ... you'll love their sounds!

=====

S.O.S. ACCOMMODATIONS REPORT ...

Hope you've made your reservations by now as everything is about gone. If you're still looking, there may be a few condos left down at Ocean Creek. Also you might try Waipani (about a 1/2 mile South of Harold's). Give Lewis Co. a call ... 249-1409, and maybe they can advise you.

=====

BEACH CLUB REPORT ...

The Pad will be serving a full line of drinks and will be the old timers nighttime hangout. O.D. Pub has plenty of cool air and lots of outside space for spreading out. Early Birds to meet at Harold's Across the Street. O.D. 50's Golden Oldies to meet at Harold's on the Ocean Fri. at 8PM. Check out Fat Jack's deck for cold beer and beach front atmosphere. Don't forget The Galleon ... catering to the S.O.S. day and night! If things get too hectic at O.D., try Cagney's Dancing Room or Holiday Inn North. Also, C.T.s at C.G. Looks like a big one ... see you at S.O.S. MIGRATION V! Gene Laughter.
