SOS President Ron Whisenant

Hello Everyone!

Wow! What a magnificent crowd attending the 2019 Mid- Winter SOS! Standing room only would be a good term to describe the attendance.

Starting early afternoon till the wee hours of the night the places were jumping with music and dance. It was reminiscent of SOS past. The masses came to party in their favorite haunts in the garden of shag. It was good times again in Ocean Drive. It was obviously an extreme case of needing to take our beach back from hurricane Florence.

Mid-Winter SOS was extended by adding Wednesday to the four-day event. Honoring the 2018 SOS membership card for admittance to the clubs made a perfect scenario for this great event. Weather temps and lack of rain made for an enjoyable five-day event.

As you are aware, Spring Safari is late this year. In addition, SOS starts on Thursday adding another day of SOS fun. The usual SOS events will feature lots of dancing and great music by great DJ"s for you to enjoy. The SOS parade is on May 4th starting at 12:45. Come enjoy the entertainment from the ACSC/ SOS parade.

The 3rd annual Beach Music Festival will be going on at the same time on Saturday May 4th. I am sure that tickets are available for this event if you want to participate. I understand that a magnificent lineup of entertainment is offered. It is guaranteed to be a great day for you to enjoy in Ocean Drive on Ocean Boulevard that last Saturday of SOS.

The SOS lifestyle and SOS events are privileges that we enjoy while here in Ocean Drive, SC. Please be mindful that we are guests here. Obey the rules of the community, practice safety, use good common sense in all matters and be gracious to one another. After all, we are family.

Ron

SOS Board Chairman Ronnie Gregory

Greetings to All SOS Shaggers;

Let me first say thanks to my fellow SOS Board Members for selecting me their new SOS Board Chairman. And thanks to our past Board Chairman, Don David, for doing such a great job as past Chairman. Don will still be around, writing his articles for the Carefree Times and doing other things for SOS. We appreciate his service.

Welcome to the largest party on the Beach! It's great to have you here and we want you to have a safe and memorable SOS. Please obey the law and help keep the city clean and a big thanks to the city of N. Myrtle Beach and its residents for their support of our association and lifestyle.

Lots of things will be going on during your 10 day stay. I hope you plan on participating in as many events as you can. All our SOS clubs and partners and their staffs will be working hard to make sure your experience will be one that you will talk about for many months when you return home.

A few things for you to remember while at the beach is our Icon Reception on Thursday evening honoring all of our ACSC Icons. Saturday our very important ACSC Meeting, for all club representatives and highlighting the week will be our 25th SOS Parade Event. While you are at the beach, please stop by the SOS Company Store for all your Beach needs and SOS Cards.

Looking forward to talking with all of you, sometime during the 10 days.

Keep on Shagging and enjoying our lifestyle.

Ronnie

ACSC Chairman Robin Morley

Welcome Shaggers,

We have arrived in our dancing paradise. We are so thrilled and glad to be back in NMB. Our Mid-Winter was a great time for all who attended. The smiles and the energy were priceless.

We will fill our SOS Partner clubs, devour our favorite burgers, take a lesson or two, visit the Company Store and have lots of laughs at the parade. Let's make this a 2019 Spring Safari to remember.

The SOS Parade will be Saturday, May 4, 2019 at 1 p.m. We know without a shadow of a doubt that hundreds of hours have been spent by ACSC clubs getting their floats and productions ready. This ACSC/SOS event is certainly one that we all enjoy.

The Rock Hill Shag Club will be hosting the ACSC Summer Workshop. Please join us for a fun weekend July 11-14, 2019. Our workshop meeting will be held on July 13th at 10:00AM. Make your plans NOW!

Have a great time in NMB! Please be safe and always remember we are guests in our own paradise. The ACSC/SOS Board teams truly enjoy serving you. We all love to meet and greet. Feel free to stop us, introduce yourself and let's get to know each other.

Happy SOS Spring Safari!!!!

Robin

ACSC Vice Chairman Lisa Caveny

Welcome to Spring Safari!

It's that time of year where all our warm Spring and Summer days lie stretched out before us and we begin to fill our calendars with fun beach weekends at Ocean Drive. For now, we will fill our time at SOS with dancing, socializing, making a few new friendships and sharing in our love of this place and our dance.

Make plans to bring your chair and line Main Street on the last Saturday of SOS, May 4th at 1PM to enjoy the SOS Parade. You can yell and

wave at everyone and be ready to catch some beads. It's always amazing to see the creativity and imagination from the shag clubs that work together to build their floats.

Also make certain to stop by the SOS Company Store during your stay and pick up some SOS swag to carry home. Ms. Judy has t-shirts, koozies, stickers, glassware, red solo cup items, rain jackets, jewelry and so much more!

Contained in this issue is a personal story I'm working on that I encourage you to find and read. It was during January's Mid-Winter activities, while I was in the backroom of Fat Harold's, I witnessed the immeasurable value of a decision made years ago (2006) by the Board members of the ACSC and SOS. A vote was taken and a commitment made by SOS to make an investment in purchasing AED's (Automated External Defibrillators) to be installed in all our SOS partner beach clubs where life-saving equipment may be needed. On Saturday night, January 19th, I saw first hand, as did SOS Secretary Becky Berry and many shaggers who were present, the value of this equipment in giving life back to one Charleston shagger. Call it luck, call it fate...I call it "A Miracle on the Dance Floor." I encourage you to please take time to read my personal interview with this family and the gratitude they have for those who stepped up and became heroes that night. What I witnessed first hand will forever be ingrained in my mind. We can't control situations but we can prepare. I commend those who served on the ACSC and SOS board back in 2006 when they had the foresight to spend the money on this life saving equipment. I encourage any shag club to consider the purchase of an AED for your club and the proper training in the event it is needed. There will be more information available and the American Red Cross in your local community is a great place to start for CPR/AED training.

Blessings always,

Lisa

ACSC Secretary Becky Berry

I would like to welcome everyone to Spring Safari. We are so blessed to have this little piece of paradise to come to and enjoy 10 days of fellowship, great music and dancing. If you are coming for the first time, you will leave forever changed. The friends you will make here will last a lifetime.

Please take the time to visit with each of the clubs, thank the DJ's for playing our favorite songs, and be kind to the bartenders who are working double shifts to accommodate the large crowds. Each of the club's information is listed here in the Carefree Times for your convenience. Janet Harrold and Vickie Harrison work extremely hard to compile all this information for you.

Take the time to visit the SOS store and say hello to Judy Vick and the wonderful staff. The parade will be held the on May 4th at 1:00 pm and I am sure Donnie Schultz has a wonderful lineup for us again this year.

I hope all of you have a wonderful time here at Spring Safari and I pray for safe travels home for each of you!

Becky

SOS Board Member Doris Keaton

As I sit at home and watch this crazy weather – snow on Tuesday, rain on Wednesday and beautiful sunshine on Thursday and it keeps going on like this. I am ready for some steady and nice spring weather and Spring SOS! So welcome to all our shag family that is returning to our beautiful town of North Myrtle Beach. It is our time again to enjoy the music of our beloved DJ's, the great location of all our beach clubs that we can walk to and from for dancing, sharing laughs and good times and for 10 days have the best adult party on the beach. We get to see friends we haven't seen in a while, get to meet new friends and make so many new and precious memories to take back home with us.

Remember to take pride in North Myrtle Beach while we are here by obeying the rules, keeping the city and beach clean by picking up our trash, thank your beach club owners and their staff, remember to tip your servers (they work hard for us) and let the DJ's know how much you appreciate them. When you see city workers and/or officials let them know how much you appreciate all they do for us shaggers.

We have a lot to look forward to for these 10 days of fun and as always we will wind up the week with a great parade on the last Saturday. Come out and support this parade. The shag clubs have worked hard on their floats and it is amazing to see the creativity, imagination and talent that they all exhibit. Also be sure to support our patrons and the discounts they give to SOS card holders. Don't forget to pick up your Carefree Times that will be available in all the beach clubs and the SOS Company Store. And remember to check out the SOS Company Store for some great t-shirts and memorabilia. Judy Vick will have new merchandise and you know it is impossible not to go home with something that you want!

In closing, I want to thank all the ACSC shag clubs that gave me your vote that has allowed me to continue to serve you on the SOS Board. I take this commitment very seriously and please when you see me out and about come up and say hi. If I can help you and your club any way let me know. All the ACSC clubs work very hard to make SOS the success it is and each of us on the ACSC and SOS Boards thank you for allowing us to work for you.

Be safe in your travels coming and going, enjoy your time at Spring SOS, take the time to enjoy each moment as it comes. Life is precious and as we travel in this life we all know that we aren't promised our next breath but God expects us to live our life to the fullest. Show kindness; give a hug, a smile, a word of encouragement. Let people know that you care and that they matter!

I will be looking for you on the dance floor, ask me for a dance or I will ask you! I know we all hear the calling of the sea and whisper of the waves and wind saying "meet you at the beach". Until then take care.

Doris

As the saying goes, "April showers brings May flowers", and hopefully the showers will be done before 2019 Spring SOS arrives!!

The SOS clubs Fat Harolds, OD Arcade, Ducks, Pirates Cove, and HOTOs/ Galleon have always worked hard preparing for your arrival and there is no limit to all the entertainment. Just put on your favorite shag shoes and hit the dance floors to shag to your favorite tunes played by your favorite dee jays in all the clubs. On Saturday, May 4 @ 1 PM the SOS parade is always one of the favorite events during Spring SOS.

ABSCDJ'S President
Mike Rink

Welcome to the 2019 Spring SOS event.

The Association of Beach and Shag Club DJ's is proud to play an important part of your shagging experience here at North Myrtle Beach, as well as in your local area.

For many of our DJ's, the fun and happiness you experience dancing, or just listening to the music we play, is matched by the satisfaction and sense of fulfillment we feel when we help create that experience for you.

As you probably know, our DJ's do not play music for financial gain. The money made playing a typical four-hour slot at the beach may buy a good meal for a DJ and his significant other, or pay their nights bar tab at the lounge where the DJ is playing, but that's about it. If that DJ is playing for a local shag club or an out-of-town lounge, chances are the cost of traveling to the event, the total hours committed to preparing or getting to the event and then playing it plus the hotel bill (if necessary) will consume that whole paycheck. Frankly, the only way to make money as a DJ is to play for weddings, reunions and other private events.

So why do we play shag music for shag clubs, shag dance venues and for SOS? We play it out of a genuine love for shag music and shag dancing and the desire to help perpetuate both into the future. We play it with a sense of pride and commitment. We play it to share the best of the music we have collected over the years with our friends (you). We play it to make you happy, and we play it to help create lasting memories.

When you are out where a shag DJ is playing, your response to our efforts means everything to us and can entice us to play even better. You don't have to wait until we play a song you have heard dozens of times to dance. If it sounds good or has a beat you like, jump up and hit the floor. Take a chance on a new song every now and then, in addition to your favorites. You might be surprised at how much better the evening will go for you and the DJ.

Finally, when you leave the floor or the party, a smile, a "thumbs up" or a simple "thank you" will go a long way toward making our night! We'll appreciate it. You might even make a new friend!

Thanks for supporting us and our passion for great shag music.

Enjoy your time at the beach!

Mike

Happy 25th Anniversary

HAPPY 25TH ANNIVERSARY SOS PARADE!!!

COME JOIN US FOR THE SOS PARADE ON SATURDAY, MAY 4 AT 1PM. THIS YEARS THEME IS: "THE 25TH ANNIVERSARY SILVER GALA.....CAN'T STOP THE FEELING"

Everyone is working hard to make this a special day for all. We will have floats, golf carts, cars, walkers and sometimes you never know what you might see in the parade. Entry applications and my information is on the shagdance.com website under the Parade tab. If you have any questions, please feel free to call or email. We encourage all ACSC Member Clubs to participate and it is never TOO late to enter. The "Pink Shirts" will be on Main Street (between Kroger and BiLo) about 8:30am the morning of the parade to assist with any questions you may have. Don't forget to join in the fun at during the Parade Awards at Fat Harold's Beach Club following the parade.

IMPORTANT NOTES

1. There is NO ENTRY FEE! Please return entry forms ASAP!
2. You must send a representative from your club to the SOS PARADE TENT to pick up your participation ribbons and ENTRY NUMBER
3. It is necessary that you designate someone from your club to be responsible for the trash removal from your immediate area and bring to the parade tent. Trash bags will be provided.
4. **To allow the parade to flow consistently, we ask that everyone remain on their float or vehicles through the entire parade. This includes when passing judges at the horseshoe.**

See you in the staging area, let's make some memories!!

AVAILABLE IN A VARIETY OF COLORS.

To me, Loafers are special...
They have taken me all over the world, from the Carolinas to Brazil to Tel Aviv and back. They are my traveling shoes, my musical muse, and the fuel for my greatest passion. To spread my love of dance.

Every pair I've owned over the years represent a special part of my story. If you're reading this, you probably are too. Thank you all for the support, on and off the floor.

OD Church of The Lost and Found

We have moved!

316 Main Street, N. Myrtle Beach (Ocean Drive

Across from Deckerz and Hoskins on the corner of Main St. & Oak Street

For twenty years many shaggers from across the United States have migrated to North Myrtle Beach to attend SOS and the many other events sponsored during the year. 2019 will be filled with many opportunities to visit our beautiful city and we hope to see you then. Hundreds of you have attended the OD Church of The Lost and Found on Sunday mornings located at the OD Pavilion. We have moved to an in-door facility three blocks from the ocean at 316 Main Street. We will be across from Deckerz and Hoskins on the corner of Main and Oak Street. We have plenty of parking space. You can park on Main Street, Oak Street and approximately 100 spaces behind the building. Handicapped parking is in front of the building,with four spaces very convenient to the front door.

Come join us each Sunday you are here from 9:15 to 10:30 am. You will see the same friendly people that you have met before, hear some great singing and be spiritually fed. This facility will keep us warm and dry during the winter and cool during the summer. Remember beach casual. It is still the preferred dress for Sunday; flip flops, shorts and tee shirts!! Our first service in our new facility was Sunday, January 6, 2019 and each Sunday there after.

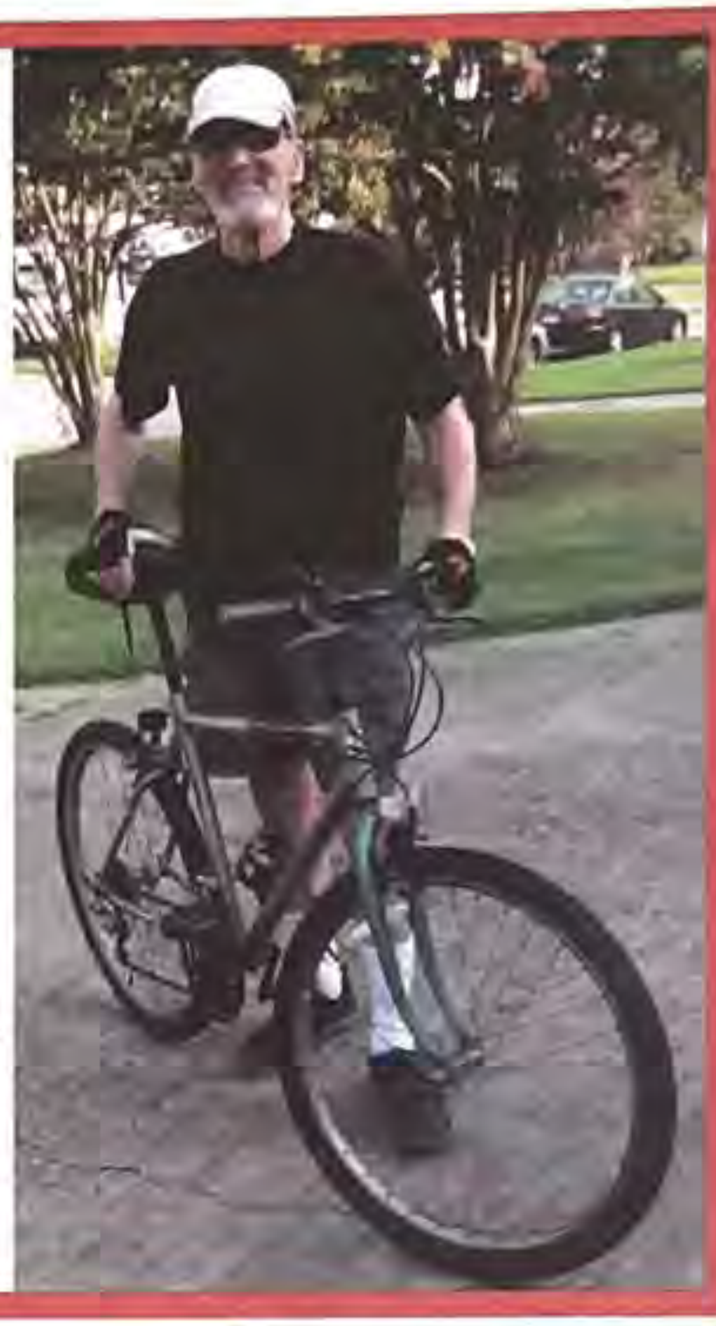
CAN BIKING AND SHAG DANCING MAKE SWEET MUSIC TOGETHER?

Va. Beach Shag Club

After taking 2 years off from dancing I was looking for a way to get back in shape before hitting the dance floor at my three local clubs. Biking seemed like a good place to start, its builds leg muscles and if you push yourself hard enough, stamina. Two attributes very helpful for dancing the night away or until 9:30 whichever comes first. After a couple of weeks I added an APP to my phone (MapMyRide) that let me track in real time my speed, average speed, distance and time. Plus it actually maps your route so you can always backtrack if you get lost on a trail. Putting that technology to work I discovered that if I put my 15 speed mountain bike in 10th gear and peddled at 60 to 62 RPMs, my speed would be between 10 and 11 MPH. In our beloved shag dance, a song with a 120 to 124 beats per minute makes for a nice brisk dance. When you bike, you change weight on the peddles twice per revolution, so 60 RPMs on the bike is equal to 120 weight changes per minute, a perfect match for dancing. I bike 3-1/2 miles each morning taking between 17 and 19 minutes at 10 to 11 miles per hour. That works out to six 120 BPM dances in a row without having to stop for a rest. I started doing this last June and it has really worked out nicely. Slow dances and line dances provide all the rest time I need to kept on the floor the rest of the night or until 9:30 of course.



Alan Michaelis is a member and volunteer photographer for the Virginia Beach Shag Club, Boogie on the Bay Shag Club, Colonial Shag Club and a member of the Virginia Shaggers Hall of Fame. He and his wife Carol, began lessons with Larry Williams and Steva Williams in 2006. They improved their dance over the years with lessons from Cindy and Larry Black, Jan Weakley, Tom Edwards and Martha Ruth and many weekly club lessons by a multitude of instructors. Alan is a retired Mechanical Engineer and owner of ALCAR Multimedia, a litigation multimedia service company based in Virginia Beach.

Atlantic Beach Shaggers Hall of Fame Reunion

At 9pm MC John Moore from 107.9 WNCT-FM radio took center stage and the ceremony began. Mayor Trace Cooper Welcome everyone attending to Atlantic Beach. On hand to receive the award was LaVerne. Bill Mason was awarded the Life Time Achievement award for his service and commitment to the dance and the music loved by so many.

2019 ICON AWARD RECIPIENTS

Each year, ACSC recognizes five shaggers who have contributed outstanding time and talent to helping their shag club be successful. Consider nominating one of your shag club members for this prestigious award. Go to our website shagdance.com to download an application form, or contact npowell09@aol.com for information. The following are brief summaries of the information submitted for consideration by the 9 member Icon Selection Committee for this year's Icons.

Kathy Cole

Carolina Shag Club
Greenville, SC

One of the tenets of the Carolina Shag Club's Mission Statement is to "preserve and promote the Carolina Shag, the music, and the dance." Over the years, many have made a large impact on and contribution to the shag club and its mission; few have done more than Kathy Cole.

As a member of Carolina Shag Club for 21 years, Kathy has held many offices and served on numerous committees. Through her years of service as an officer, a board member, a committee member, and as a volunteer for many tasks, Kathy has been and remains one of the most effective and valued members. She has selflessly devoted her time and energies to the improvement of the club, and has participated in all SOS functions--including parades. Kathy served as president in 2003 when Carolina Shag Club hosted an ACSC Summer Workshop. For about 12 years, Kathy's assistance with the Meet Me in the Middle Sand Flea Reunion has been invaluable. Her organizational skills and devotion to getting the job done right have played a huge role in the continued success of this annual event.

Kathy freely gives her time to raising funds for the club's two selected charities--Camp Courage, a local camp for children with cancer, and the Ellen Taylor Foundation. She always volunteers during the club's fundraising golf tournament and serves on the charity committee for the Hunger Party.

She is well-known in the upstate, as the radio station co-host of the "Beach Bob and Kathy Cole--Beach Shag & Oldies Show." Through this venue, she has the unique opportunity to promote our club's events and fundraisers. This enables us to reach a much larger audience than we would be able to do on our own. These promotions help to draw participants to our events and to increase donations to our two charities. Kathy and Bob Ross have also performed at many venues in the upstate area, which helps to popularize our music, our dance, and our culture. They perform at the large annual event "Rhythm on the River" in the Greenville downtown area.

As a long-time member of the Junior Shag Association, she has worked promoting junior shag events hosted by Carolina Shag Club. She is active in helping introduce shagging to many youths in the Greenville area (including her two granddaughters) as well as hosting juniors at Junior SOS.

Through the years, Kathy has very actively promoted the shag lifestyle, the music, and the dance. This has become a life for her as it has for many of us. She does not just talk the life style--she lives it. Kathy is truly deserving of the Icon Award

Ronnie Gregory

Burlington Shag Club
Burlington, NC

Because he loves the music, the dance, and most importantly--the people, Ronnie Gregory joined the Burlington Shag Club in 2001. From his local shag club to the SOS Board, he has promoted the shag lifestyle with his time and talents for about 20 years. Earlier, he served as the club's president for 4 years and is serving again this year. He has chaired, co-chaired, or served on almost every committee over the last 17 years. He was heavily involved in the club's annual Meals on Wheels charity event, and chaired or served on its planning team for 7 years. Among his many accolades is his induction into the Burlington Shag Club Hall of Fame in 2006. Later, he chaired this committee for 5 years.

Even though Ronnie owns his business and works many hours, he always finds time for his club. After Burlington had a two-year absence from the SOS Spring Safari Parade (for which he had co-chaired the float committee for 11 years) Ronnie rallied the members in 2018 to jump back into the fun and enter a float for the 2018 parade. He provided his place of business for club members to work on the float every Saturday morning and cheered the club on to create one of the best entries in the shag club's history. Ronnie's upbeat, positive, and encouraging words cheered on the troops and reminded everyone that "This is what it's all about--having fun together." For 6 years, Ronnie created lots of fun, laughter, and fellowship while he chaired or served on the club's entertainment committee.

In 2007, Ronnie created and promoted an idea to bring together five clubs in central North Carolina plus one club just over the state line in Virginia to form a coalition for support, fellowship, friendships, and some great times visiting each other's annual coalition shag club parties. For 7 years, he chaired this coalition committee which is still going strong.

Ronnie has served as an SOS Board Member since 2008 and was recently elected to serve as the SOS Chairman. He served on the 2012 "SOS at Sea" cruise committee. Since 2010, he has chaired the SOS Fall Migration Reunion Event for past ACSC and SOS Board Members. He has served on or chaired the SOS Website Committee since 2009.

As a leader, an achiever, a cheerleader, and a friend, Burlington Shag Club and the ACSC consider Ronnie a deserving recipient of this Icon Award.

Susan Martin

Palmetto Shag Club
Columbia, SC

Since becoming a member of Palmetto Shag Club (PSC) in 2009, Susan has served as President, Vice president, and Secretary. For 6 years, she chaired the newsletter and the communications committees. She also served 6 years as co-chair for the Southern Comfort Event and as co-chair for the New Years Eve Park & Party.

Since 2012, Susan has actively participated in all club parties and has chaired or served on various committees. She helped organize the DJ Marathon to showcase our local DJ's and promote a fundraiser for the American Cancer Society. She developed a General Club Operations Manual to provide a written record of the requirements needed to ensure a smooth transition for new board members and committee

chairs. In 2015, under her leadership, PSC purchased a new professional dance floor that has served the club well.

For several years, Susan organized dance demonstrations for the Irmo Middle School, and Agape Senior Facility. She committed to teaching beginner dance lessons every week in 2016 at the Woody, a local shag venue where she taught a series of beginner lessons for adults. Each week, she attends the two local dance venues in Columbia, which allows her to meet other shaggers and to encourage new dancers.

Susan served as the event Tri-Chair and Co-Chair of two ACSC Workshops (2014 winter and 2016 summer). These events were well organized and executed with lots of fun for everyone who attended. The 2014 Winter Workshop was truly "A Party to Remember" and was the last winter workshop held away from the beach. Susan took the initiative to complete the necessary research and put together the information and contracts necessary to support the bid for the workshop and prepared the bid proposal. She was responsible for many aspects of both workshop events, including registration, budget, hotel and contract negotiations, advertising sales, communications and the development and publication of an event magazine.

On numerous occasions, Susan has used her personal funds to boost the financial position of the club. In 2017, she purchased a replacement bar after the club's bar and other items were stolen. In 2014, she personally funded and assisted with rebuilding and upgrading the club's website making it more user friendly.

She and her husband Cecil hosted a drop-in at their beach condo for 5 years during SOS for club members and other shag friends to gather. Susan is an avid supporter of Palmetto Shag Club and continues to do everything possible to ensure that PSC remains a strong and viable club. Those who have worked with her agree that she is deserving of the ACSC Icon Award.

Jackie Matthews

Virginia Beach Shag Club
Virginia Beach, VA

For 25 years Jackie Matthews has been a member of Virginia Beach Shag Club and served on its board for 19 years. She frequently promotes the shag life to our community through free dance instructions and demonstrations. She spends many hours at local schools, nursing homes, and other facilities sharing her love of the dance. Few shaggers have done as much as Jackie to build and maintain the success of their club.

Jackie served terms as President and as Vice-President and for five years she served as Secretary. She has served on and chaired almost every committee in the club: budget, audit, by-laws, revision, silent auction, hospitality, historian, and on the annual Golf Tournament Committee. While serving for 6 years as the communications chair, she reorganized the phone tree system to notify club members on a weekly basis of upcoming shag gatherings for all local clubs and for SOS news. She later conducted a survey of over 400 members to implement an email system to send newsletters and other important club information.

Jackie attends every weekly Mix & Mingle and attends all board meetings. She uses creative ways to keep members involved. During special evens, she contributes refreshments, funds, and makes personal charitable contributions. On behalf of her club's charity this year, she participated in a Shag-A-Thon and personally raised $1,400 for Edmarc-Hospice for Children. As an artist and writer, Jackie uses her talents to create club promotional materials such as signs, flags, and flyers. She designs admission tickets for the club's special events. She has made large fun baskets to raffle to supplement club finances, and she made many table decorations and floral centerpieces.

To preserve the club's background, she has kept records of club activities, special financial endeavors, special events, and parties. She has maintained the history of the club's officers and committee chairs from the start of the club to the present.

As a member of the Virginia Shag Club Hall of Fame, Jackie shares her love of shagging with any age group. Since 2001, she was a regularly scheduled dance instructor for many years and now serves as volunteer shag dance instructor when needed. While she was employed at Malibu Elementary School, Jackie provided free shag lessons for teachers and students. She promotes Junior Shaggers by introducing and teaching the dance to youngsters and teenagers. Jackie is a positive role model for the club and will represent the Icon Award with pride and honor.

Nancy Strother

Charleston Shag Club
Charleston, SC

Nancy Strother has been a member of the Charleston Shag Club for 13 years. Her strong work ethic is evident in the time and dedication she has devoted to our South Carolina state dance. For 11 years, she taught basic shag lessons. Her relationships and willingness to work with all the area shag clubs is admirable. Because she has served in numerous official positions, chaired committees, and volunteered countless hours is truly inspiring and is an asset to the Charleston Shag Club and to the shag community.

She is currently serving the club as vice president, and in the past, served as secretary. Over the years, she has chaired numerous committees and organized many club parties. She was responsible for obtaining 501c3 tax status for the club. In 2007, she was responsible for obtaining an AED for the shag club that has been made available at all club functions. Her role as membership chair has been an asset for the club. She not only keeps an accurate, up-to-date list of members and dues paid, but also maintains up-to-date contact information to help us reach each person on the largest membership roster in the club's history. Through Facebook and email, she keeps the shag community aware of up-coming events.

Nancy has been a leader in bringing new events to the Charleston area. In 2007, she was successful in obtaining grant funds from the SC Arts Commission to host the 2007 ACSC Winter Workshop, which she chaired. In 2016, she organized and formed the Charleston Area Shaggers Hall of Fame--a long-needed venue to recognize and honor those who promote and preserve the shag in the Charleston area. Nancy, herself, was inducted in 2017. Nancy is the leader and driving force in the annual Charleston Shag Classic Competition. Her experience and knowledge of the competition world helps to make this event very successful. She served as co-chair of the Competitive Shag Committee that was responsible for Charleston's hosting the CSA contest in 2017 and 2018. From 2004-2008, she assisted the club's annual Geechee Blast by serving on many of its committees.

Nancy chaired several fundraising "Shag-A-Thon" events raising more than $25,000 for Hospice of Charleston. In 2006, she started a shoe drive in the Charleston area, collecting new and slightly used dance shoes for the junior shaggers. She has been chairing the shoe drive for 13 years.

Her enthusiasm is infectious, her efforts are untiring, and her friendship is true. The Icon Award was created to recognize people like Nancy who work constantly to preserve and promote our shag lifestyle. She is a devoted and enthusiastic champion of the Shag World.

The Burroughs Brothers-3

By Isaiah Burroughs

My name is Isaiah Burroughs and I started out shagging as a freshman in high after my brother, Justin Burroughs, came back from his first Jr. SOS. Justin was full of energy and eager to learn more about Shag and ended up sparking interest in my other brother, Zachary and me. All three of us competed throughout college at many different events from Shag Nationals to Jr. SOS mixed doubles. Having three boys traveling to perform a dance love was very costly. Our parents gave all they could for their boys to dance all around the East Coast. Our goal was to grow our dancing and people skills through all the generational interactions we engaged in while going to these different events. Even with all of our financial help, there were still many things that were a stretch for our family to attend without the help of the Ellen Taylor Foundation for Junior Shaggers. The Ellen Taylor Foundation provided assistance to our family in order to help us share our love of the dance with others. The only thing that the Ellen Taylor Foundation asked for in return was for the participation in classes to widen the knowledge and skills of the dance. This dance impacted us so much that we took this dance to the colleges we attended. Together, we taught our peers how to shag and brought many of them to compete in the collegiate challenges each year at Shag Nationals which helps raise money in order to send other fellow shaggers to college. Now we are all graduated from undergrad and are making impacts in the world in great ways.

A few short months after graduating I wanted to participate in a non-profit that has meant a lot to me and my family. The Ellen Taylor Foundation was a clear choice. I am now the treasurer of the Ellen Taylor Foundation. I view the organization from the other side and I have many reflective things to say: "This organization is truly the whole package. As a junior I knew how they helped assist me with travel and expenses to events, but there is a whole other side of the organization that delivers on their message to ***provide financial assistance in the education, preservation, and promotion of the Shag***. Some things that I thought were very important were the Foundation saw a need for and provides gently used Shag shoes to Junior Shaggers. This gives juniors the chance to fully experience the shag in their own pair of loafers or ladies dance shoes. Another program the Ellen Taylor Foundation assists with is providing funding to shag workshops. These workshops help clubs start new events or continue their existing events and have a direct impact of providing junior shaggers with a way to learn and grow their love for the dance. This program all together provides great opportunities to junior shaggers and I am so blessed to be able to give back to them in the same way I was given as a junior shagger".

CHEERS!

A Time to Dance...A Miracle on the Dance Floor

Lisa Caveny, ACSC Vice Chairman

Doug Peagler & daughter Keri

This is an eye-witness account of what I personally witnessed on January 19, 2019 at Fat Harold's Beach Club. The following chain of events impacted my life so much that I drove to Charleston to introduce myself to Doug Peagler and his daughter Keri. Doug shared his near-death experience and his gratefulness to be alive and given a second chance at life because of the heroic actions of others. As an ACSC Board Member, I wanted to give praise for an action taken back in 2006, which gave opportunity for a happy ending to this story. I hope you will read and enjoy Doug's powerful story.

It was a typical Saturday night during Mid-Winter, January 19, 2019. Doug Peagler, from Charleston, and his friends had gone to dinner and had headed to Main Street to Fat Harold's. They left and returned to Fat Harold's 3 separate times; claiming "their spot" for the night. Doug danced with his partner, Cheryl Grayson....and as I'm told Doug always has a line of ladies wanting to dance with him. You see, Doug has been attending SOS events since the beginning, and his love of shag dancing began as a high school senior in 1961. Doug explains, "Shag dancing is not only a dance, but it is family." As they entered Fat Harold's for the final run of the night, Doug complained to his friends that he felt light headed and a slight tightness in his chest, but wrote it off to possible indigestion. He had no idea that the chain of events unfolding might be his last time to hear the music that he loved and end the lifestyle that he had grown to love. Doug recalls seeing a bright white light as he sent his dance partner into a turn and collapsed. Doug Peagler had just taken his last breath. Doug's friends knew that he was in trouble. It was at this moment, that I entered the backroom to find that the music had stopped, lights were up and people were gathered around a lifeless body. Brenda Rosser, Fat Harold's long-time bartender was down on her knees beside Doug's body, Dr. Nancy Quintero Windham (OBGYN from Florence, SC) was monitoring vital signs and supporting with the life-saving efforts, a Father and Son team – Dr. Sam Vernon and Neal Vernon (both with medical backgrounds) started chest compressions and a third young man (an unidentified Wake Forest Medical student) was giving mouth to mouth. The 5-person team were working together like they were a well-oiled machine. Sam Neal pointed toward the wall and son Neal knew exactly what his Father was telling him to do without saying a word...You see, just the day before on Friday, the Vernon Father and Son were sitting in the back room of Fat Harold's and because they both are in the medical field, they pointed out and discussed their delight at spotting the AED hanging on the wall. It had often been a topic that they had wondered about since so many shaggers are older adults and many have heart issues. Sam Vernon himself suffers from ALS (Lou Gehrig's Disease), so his speech is effected and his balance. None of those physical limitations stopped him from administering chest compressions and remembering that the defibrillator was hanging just a short distance away. When Brenda needed the AED, Dr. Vernon pointed and Neal sprang into action. No one had to go searching because the equipment was marked with proper signage...The Vernon team had no idea that their conversation about AED's just 24 hours earlier would lead them to this place, with a crisis right in front of them. I was a bystander like many others, and watched as Brenda put her training to use and she and Nancy strategically placed the AED pads on Doug's body. I heard Brenda say "No pulse, No breath"...I continued to see chest compressions by Dr. Vernon. An AED only works when a patient has no pulse. It is the last hope of reviving someone and there is only a window of approximately 6 minutes with no lasting damage to the brain or heart.

I personally felt so helpless, almost frozen in time...we all stood watching. I started to pray for this man that I did not know. Others around me were starting to hold hands and were also praying. There was a line of 8 or so people to my left and they were holding tightly to each other. I looked to my right and saw a familiar face, ACSC Secretary Becky Berry was standing and witnessing the same scene. I heard Brenda say in a very loud voice, "Clear, it's going to shock!" I watched as Doug's body came up off the dance floor and jolted back down. His body literally levitating off the floor for a split second. Still no vital signs...I watched Neal Vernon slightly nudge his Father

Brenda Rosser, Fat Harold's Beach Club

and without breaking rhythm, Neal took over the chest compressions. Neal got up on his knees to apply greater force, he explained in a phone interview that his medical training taught him that you must get down 2 ½" into the chest to massage the heart. I could honestly feel with each thrust downward the amount of force and energy being given. Neal Vernon was giving it his all. In what seemed like an eternity, I heard Brenda say, "We've got a pulse." I saw the lifeless body slowly start to move; Doug moved his right leg. Brenda later stated, "It was surreal, too much time was passing and I knew that if God did not intervene we were going to lose him. The machine gave instructions to SHOCK and I hit the button...It was like seeing a new baby coming to life when I saw his chest inflate." Dr. Nancy Quintero Windham gave instruction to roll Doug's body over onto his left side so that he would not choke. Everyone witnessing this miracle cheered, there were tears of joy. I saw and felt hugs from friends and strangers. At that very moment the EMS team walked through the doors. The earthly heroes stepped aside to allow the medical personnel to assess Doug's condition. As Brenda stood up, obviously drained and exhausted from this experience, she placed her face in her hands and began to sob. We embraced, I told her how proud I was of her and all those who had jumped in to save a life. Death did not win, Doug's life was given back to him. It took bravery, it took personal commitment of all those involved, they are the Heroes of this story. From that point, Doug was given great attention at the Grand Strand Regional Medical Hospital/Heart Center and his daughter, Keri, who is a registered nurse of 24 years with a cardiac intensive care background, was by her Dad's side as he underwent a heart stent procedure for a 99% blockage. Doug also received a dual chamber automated internal cardiac defibrillator. On January 22nd, Doug requested to walk out of the hospital, unassisted by a wheelchair...Doug is quite a character with a passion for life. I simply can't imagine living my life and never having crossed paths with him and having him as a friend. Doug wants to meet and thank each person who played a role in giving him a second chance at life and plans are underway to make that dream a reality. Doug would like to encourage all shag clubs and dance venues to invest in AED equipment and CPR/AED training. It is a small investment and can be the difference between life and death. The American Red Cross is a great place to start to research what options are available and training classes.

Lisa Caveny & Doug Peagler

SOS is an unsung hero in this story because in 2006, a motion was passed by the Board of ACSC/SOS that SOS would make the financial commitment to purchase the AED's for each of the SOS partner beach clubs – Duck's, Fat Harold's, Pirates Cove, OD Arcade and Spanish Galleon. Equipment servicing and training is an ongoing process. What might have seemed like a stretch that this equipment would ever really be needed, has now given life back to one of our Shaggers. I am proud to serve with many of those same Board Members who once raised their hand and cast a vote to make this expenditure. You all are heroes and you are commended for having the foresight to invest in the lives of our Shaggers.

Ecclesiastes Chapter 3:4 says:

"a time to weep and a time to laugh, a time to mourn and a time to dance."

This is Doug Peagler's time to dance.

The 2019 Beth Mitchell Charity Contest

By Archer Joyce

In March of 1998 a tornado ripped through Mayodan and Stoneville, NC, claiming the lives of two people. One, Beth Mitchell, an elementary school teacher in Stoneville only six days earlier had won the Non-Professional National Shag Dance Championship in Myrtle Beach with partner Brad Kinard. The Mitchell family established a memorial scholarship fund with the first scholarship awarded in 1999. The scholarship is awarded annually at the National Shag Dance Championships to successful applicants wishing to further their education and is not limited by age. Recipients are selected by a board based primarily on need and scholastics. Scholarships have been awarded to aspiring college students, enrolled college students as well as several adults ranging from $1,000 to $5,000.

Through efforts by Derrick Mosier and Thurston and Linda Reeder the first charity ***contest*** was held in 2004 at Thirsty's 2 in Greensboro. Since then the contest has been held annually and has alone raised over $94,000. In conjunction with efforts of the National Shag Dance Championships over $189,000 has been awarded to thirty three recipients, some being multiple recipients.

This year twenty nine couples danced in five divisions: Junior I (under 15), Junior II (15 – 20), Amateur, Novice and Professional/Hall of Fame. DJ Hall of Fame member Butch Metcalf provided his usual great music and packed the floor between dancing divisions. The contest was held at the Holiday Inn Airport, Greensboro, graciously providing the venue with Max Madrin taking photos all evening.

The Junior dancers exhibited their usual super talents that thrilled, amazed and thoroughly entertained everyone and also participated in a "Dancing for Dollars" that raised $153. All adult dancers put on a great show knowing their efforts would help a worthy cause. Winners were:

Junior I

1st Gracie Pandura, Tucker Brown
2nd Brooke Farrior, Billy West
3rd Maci Walters , Noah Gregory

Junior 2

1st Lizzy Batten, Jackson Batten
2nd Isley Turner, Cody Morgan
3rd Allison Pittman, Drew Allen

Amateur

1st Sharon Craft, Terry Chenoweth
2nd Carol Cardwell, Stephen Carrice
3rd Cathryn Petit, Charlie Oliver

Novice

1st Crystal and Tripp Turner
2nd Merinda and Jason Swaim
3rd Cheryl and Clay Parker

Professional/Hall of Fame

1st Mandy Holt Roberts; Brennar Goree
2nd Patricia Joyce; Gene Pope
3rd Cameron Caruso; Bryan Renn

Sponsors donating $50 or more were listed online. The Eno Beach and Greater Triad Shag Clubs donated $200 and were named Beth Mitchell Ambassadors. The 2019 Beth Mitchell Charity Contest raised exactly $7,000. Many thanks are due those who participated as sponsors/donators, spectators judges and dancers. Special thanks to the 2019 Beth Mitchell Charity Contest committee members: Merinda and Jason Swaim, Vickie Chambers, Marsha and Les Rose, Darrell Gaither, Tina and John Phillips, Nancy Mitchell, Patricia and Archer Joyce, Chairs..

2019 Rock Hill Shag Club's Winter Beach Blast

It was a cold and rainy evening as the 6 o'clock hour arrived on Saturday, February 23, 2019 for the 10th Anniversary of the Winter Beach Blast Party, hosted by the Rock Hill Shag Club. It did not take long for things to warm up inside. It was another amazing Rock Hill party. Once again, more food than you could ever eat, tons of shooters, free flowing beer, and lots of smiling faces. The night started out with some tunes from our DJ, Frank Price, who always does a terrific job. At 8pm, Jim Quick and the Coastline Band took the stage and in there lies the rest of the story. This party was hopping right up to the last song at midnight. Coastline was our band at the very first Winter Beach Blast, so it was only fitting that they rock our 10th anniversary party. And rock it they did. During the first band break, we did a segment called "Shaggin' thru the Ages". This was to show that "shag" is for all ages. Groups were spotlighted starting with the 70s, then 60s, 50s, and so on until we reached the Juniors. We ended it with a group dance and folks stepping in to dance with these fantastic couples. A special "thank you" goes out to all those who participated in this event. We had raffle tickets for a HUGE Liquor Wagon. The lucky winner was Cecil Martin, the ACSC Treasurer. But it turns out that we were the lucky ones as Cecil donated the wagon back to the club to be raffled off again at the ACSC Summer Workshop that Rock Hill will be hosting this July. Thank you to Cecil & Susan for your generosity. This was my 10th year to chair this fantastic party. After announcing that this would be my last year to chair this event, I was truly surprised by roses and a plaque for my years of service. This was so very special to me. I would like to thank all the members of the Rock Hill Shag Club for their support during the past years for this event. It has truly been my honor to serve as Chairman of this event for 10 years. I know it will successfully continue for many years to come.

On the Road with Mary
Burlington Shag Club Valentine's Benefit

On February 9, 2019 we went to Burlington Shag Club's Valentine's Benefit for Hospice and Alamance County Meals on Wheels. Well over 400 people were there and what a great time it was. This is our home club and we want to congratulate them for such a fantastic job. All the BSC members worked together supporting this event and you could see the joy they all were having in support of their community and club. They had a great Band "Band of Oz" and DJ Chigger Woods. What more could you ask for in top flight entertainment? They also hosted celebrity dance teams from the Burlington area community in raising money for this benefit and it was very successful. Also, they did a Bake Sale and Silent Auction which was awesome and very successful. We saw many friends from other shag clubs who came to support this fundraiser as well and enjoying in the fun with our members and people from our community. We are so proud of our Home Club and all the things they do to support our community, our lifestyle and our dance.

This was their 25th year of hosting this event and have raised over $490,000 in total. The night was truly successful. But they were more than successful in raising money, if you could see the leaders working together with its members and everyone have a great time of caring, sharing and helping each other, you understand why we are so proud of the Burlington Shag Club. Soon they will begin to plan for their 2020 event and they are already excited and so ready to get started.

So, until the next On the Road, just look up and you may see us walk in to your club. Mary Gregory

Shagging with the Stars

THIRTEENTH ANNUAL

The National Shag Dance Championship started "Shaggin With the Stars" several years ago to get the local Myrtle Beach community more involved in the NSDC and raise money for the Beth Mitchell Scholarship. Local "stars" and community leaders are paired with professional shag dancers and given only 12 hours of practice time before competing at NSDC Prelims each January. The contestants are judged 2/3 by shag dance judges and 1/3 by audience applause.

THE WATERING HOLE

DEFINITELY NOT MY FAULT

Humorous, Thought provoking, Serious, Politically incorrect, Asinine at times and things non-shag

I grew up in Florence, SC just a short 10 miles from the Darlington Raceway. Having gone to my first race there when I was 15, I became a regular. Yes, it was indeed love at first sight. I soon knew all the drivers' names, their sponsors, and the teams they drove for. Over the next few years I began to have aspirations of becoming a race car driver. But unfortunately, my aspirations remained just that. I knew no one in Nascar, had no driving experience, didn't know where to turn, and simply felt dead in the water. Time slipped by. After graduating from high school, I found myself working for the FBI in Washington DC for the next 4 ½ years, and as it's said the rest is history. (That's another story for down the road.) A few years back I looked at some of the most successful drivers in Nascar and realized how many of them got their start. Take Richard Petty, one of the winningest drivers in racing. Well his daddy Lee Petty was a driver back in the day. Richard grew up working on his daddy's race car, so it was easy when the time came for him to move into the driver's seat. Well heck, my daddy wasn't a race car driver. Then there's Dale Earnhardt, very successful, his daddy was driver Ralph Earnhardt. And Dale Jr., the most popular driver for 15 years in a row, also worked on his daddy's car, Dale Sr. We can't forget Davey Allison whose daddy was Bobby Allison, nor Buddy Baker whose daddy was Buck Baker, nor Kyle Petty whose daddy was Richard Petty, nor Adam Petty whose daddy was Kyle Petty, nor Chase Elliott whose daddy was Bill Elliott. The list goes on and on. But my name's not on that list. That's right, my daddy was not a race driver. Racing passed me by. Maybe that's a good thing.... Later on I started looking at the game of golf. It was an outdoor sport. I always loved being outdoors unless it was 50 degrees or lower. (I detest cold weather.) Whenever I would watch golf on tv there were often palm trees in the background. Definitely my kind of thing! Then there were the players dressed in all the cool clothes, colorful golf shirts and perfect slacks. Maybe just maybe I thought, I could learn to play locally. If I worked at it really hard and got really good, I could turn pro. Wow! What a way to make a living. I could hobnob with all the pretty people, be on TV, life would be good. My daddy was not a golfer, never cared anything about it. His enjoyment was softball. He played on a Florence city league team a number of years with the likes of shag legend Billy Jeffers. Anyway, I decided golfing was what I was going to do. But whenever I thought about getting stated there was something that didn't quite feel right, something in the back of my mind that was holding me back. What was it? Time was again on the move and I kept putting off starting my golfing career until one day I realized it was too late. A few years later I was fishing on the beach, my true passion. Relaxing in my beach chair I was mulling over my life, thinking about the past. And for some strange reason I remembered my dad, the softball player, telling many times, "Son always remember, whenever you hit a ball someone's gonna throw it back." As I sat there on the beach that beautiful day it all became crystal clear. Yes, I missed out on becoming a Nascar champion. And yes, I missed out on becoming a professional golfer and winning one of those green jackets. Life in some respects had passed me by, and then I realized.... **it was all my daddy's fault.**

Remembering Hector Phifer

By: Foster McKinney

The late, great Vince Lombardi once said, "The leader can never close the gap between himself and the group. If he does, he is no longer what he must be. He must walk a tightrope between the consent he must win and the control he must exert." Being chairman of the SOS board of directors must be an unnerving tightrope to walk, demanding a lot of luck, skill and balance. This past December we lost one of the finest SOS Board Chairmen who ever walked this tightrope, Hector Phifer.

Hector came on board as an SOS board member shortly after the Society of Stranders (SOS) was purchased by the Association of Carolina Shag Clubs in 1989. He and his wife, Carolyn, became the workhorses that SOS badly needed. Taught to shag by the late, great Shad Alberty and his wife, Brenda, Hector and Carolyn quickly used the newly-learned and fanciful footwork, turns, and pivots to successfully compete as competitive shaggers. In 1992 Hector was asked on very short notice to run for the SOS board of directors. Even though at the time he was modestly involved, he had caught the eye of many who thought that he could become a fully-involved difference-maker for SOS.

Hector ran for a seat on the SOS of directors, was elected, and continually re-elected over a span of eighteen years. He became exactly the difference-maker that SOS needed to thrive. During this span of eighteen years, SOS grew from infancy into adulthood. It initially struggled with growing-pains in finding its identity and its direction. Ideas came and went like hairline replacements--some stuck and some fell out. Hector was there through the good, the bad, and the ugly. Like most leaders he smiled and reveled in the sunshine with good times, but also stood tall when weathering storms of hardship. In 1998 Hector was elected chairman of the SOS board of directors. Under his leadership, SOS became much stronger financially and was able to begin building for the future. His leadership style brought on a personal touch that emphasized togetherness for a common goal much like a family. It trickled down and spawned a teamwork attitude focused on the betterment of the Society of Stranders organization and its members.

Vince Lombardi would have been proud of Hector Phifer. I know all who knew and loved Hector will always remember him with pride and a smile.

"HAPPY 30TH ANNIVERSARY ENO BEACH SHAG CLUB!!!!"

It all started on a Sunday afternoon, November 12, 1989, with a gathering of 21 young adults to discuss the possibility of forming a shag club. It was a "Go" and the following was decided: the officers, first 100 members to be Charter Members, dues for calendar year, Thursday night would be the Shag night and the club's name would be Eno Beach Shag Club. It was named after the Eno River in Durham with a decision to use Beach instead of River. Everyone would make a list of friends and their addresses to have at the next meeting, November 26, 1989 to mail each an application along with a letter from the President inviting them to the Eno Beach Shag Club's first meeting on Thursday, December 7, 1989. It was a very brief meeting with introduction of the officers, plans for the club's upcoming year, renewing old friendship and making new ones. Year 1990 was a very busy but exciting year. The following accomplishments were made: Non-Profit Corporation and Tax Exempt Organization, The Association of Carolina Shag Club Charter, By-laws written and approved, Logo of dancing frog in weejuns was adopted, Club Shirt was designed with dancing green frogs on front with Eno Beach Shag Club around them outlined in black and the back of the shirt was the green frog sitting on a red T-Bird watching a submarine race, black and green trees in the background with Durham, NC underneath the print. In addition were huggers, license plates and stationary with the logo. "News From The Pond" was the name for the newsletter, Ronald McDonald House was picked for the Charity. Pro Shaggers taught shag lessons. First Line Dances taught were "The Boss" and "The Tush Push", Members enjoyed the Spring Fling, Christmas and New Year Eve Parties, voting on the Frog and Frogette of the Year, Adopt a Highway, Yard Sales, Road Trip to special events, JSA supporter, SOS Fun Monday Hot Dog Sells. Eno Beach Shag Club's golf tournament every year since 1990. First Non-Pro Amateur Shag Contest from 1990 to 2008 and then 2009 to 2017 contest was sanctioned by CSA. The Fabulous Jelly Rolls were derived from members of Eno Beach Shag Club and over the years a total of 10 Djs. In 2018 Eno Beach Shag Club host the ACSC's Summer Workshop which was a "Huge Success". From l990 to 2019, Eno Beach Shag Club had 7 members of The Beach Shaggers National Hall Of Fame, 3 Shagging Icons, National Dance Championship Non-Pro Winner, USA Grand National Dance Championship Non Pro Winner, 3 Times Senior Pro winner, 5 Times Masters winner, Living Legends, and National Living Legends Of Dance. OH WHAT HISTORY OF A GREAT CLUB !!!

Though the years Eno Beach Shag Club has given the membership the opportunity to promote and preserve the Shag and its Music and to maintain good standing with Association of Carolina Shag Clubs and other organizations. As always the success and longevity of a great club depends solely on the participation and support of all the members, from 1989 to Present, to make this 30 Years happen, Thank You!

The Association Of Carolina Shag Clubs Founded 1984

A SWINGING PAST AND A SHAGGING FUTURE

By: Phil Sawyer

The ASSOCIATION OF CAROLINA SHAG CLUBS was founded in 1984. Ken Hudspeth, then President of the Rock Hill Shag Club, gathered the Presidents of the Clubs attending the 2nd Annual Columbia Invitational in October, 1983, at Pine Island on Lake Murray and suggested a low key organization of Clubs in South Carolina and the one in Atlanta to share ideas, exchange information and to sponsor a party for the Clubs at the beach in January. Harold Bessent (Fat Harold) also met with us and endorsed the idea.

Ken and the Rock Hill Shag Club arranged for the first of what was to become the MID¬WINTER BEACH CLASSIC in January of 1984. Participating Clubs were Columbia, Charleston, Greenville, Shag Steps, Rock Hill and Winnsboro. The Presidents of local Clubs continued their efforts to form an organization. Earlier, Ken Hudspeth and Phil Sawyer, then President of the Columbia Shag Club, had met several times to formulate the concept and to develop a Charter. The representatives of these Clubs met again in February 1984, in Columbia, to formally establish the Organization.

The Presidents agreed that the Organization would be named THE ASSOCIATION OF CAROLINA SHAG CLUBS. Since Atlanta was a Charter Member, it is immediately obvious that there was no intention on the part of the Founders to limit membership to the Carolinas. Carolina in the name of the Association refers to the dance and not to the geography. The original Charter provided for the Association to be governed by a Board of Advisors to be presided over by a Chairman. Ron Whisenant was elected Chairman, the first, and served for two years.

The local Clubs continued to sponsor statewide parties, always with Atlanta included, and soon Columbia, Charleston, Atlanta, Greenville, Rock Hill, and Winnsboro were having regular weeklong events to which all other Clubs were invited.

News of the success of this little Association soon spread. Ken Hudspeth followed Ron as Chairman, and the Metrolina became the first North Carolina Club to become a member. All the while, S.O.S., contests, invitational weekends, and other events at the beach began to flourish. The second Mid-Winter Shag Meet (still not named) was in January 1985, at where else, Fat Harold's. The late and very much loved Richard Nixon was the D.J.

The Clubs and statewide parties continued to grow and prosper. There was another cruise, and S.O.S. was becoming a bigger and bigger event. No Shagger worthy of the name of the dance would have missed it for anything. Cities all over both North and South. Carolina, Florida, Georgia, and Virginia were forming Clubs, and their first order of business was to become a member of the Association. The Association was inducted into the BEACH SHAGGER'S HALL OF FAME in 1986. This little known honor is one of our most distinctive.

The flag was passed from Ken Hudspeth to Phil Sawyer, 3rd Chairman, an office he would hold for three years. Phil designated themes for each of his years as Chairman: The "Year of the Club" 1987; the "Year of the Trip" 1988; and the "Year of the Bold Leap Forward" 1989. In the "Year of the Club," order and structure were stressed and the Winter and Summer Workshops were begun.. In the "Year of the Trip," Hawaii became the all-time favorite shag vacation of over 200 Shaggers, and the "Year of the Bold Leap Forward" saw the Association acquire S.O.S. This might be equated to jumping off Grandfather Mountain on a hang glider. During these years Member Clubs increased from 18 to 45.

Bob Wood, then President of the Atlanta Shag Club, immediately became involved with Phil, Larry Taylor, and others in the S.O.S. There was much to do in order to organize and develop a plan for restoring S.O.S. to the place it once occupied. The potential of this fortunate union was too great to allow it to fail, and Bob Wood was one of the first to see this.

Thus, Bob was elected Chairman in 1990 and continued to lead the Association, having been re-elected in 1991 and 1992, until 1993. Under Bob's leadership, the Association grew to unprecedented levels. Workshops, which once attracted forty to fifty participants, now regularly attract well over 200. Serious business related to Association expansion, development, and benevolence, can occupy the most committed people in the Shag World for hours: All the while, serious parties are underway, often just next door. **Still Going STRONG!**

THE JUNIOR SHAG DANCE TEAM

HAPPY SOS EVERYONE!

The Junior Shag Dance Team, Brennar, Ashley, Tobitha, and Kayla would like to wish everyone a fun and safe 10 days of great dancing and great music. Since our last update in the Carefree Times, JSDT finished out 2018 as the US Open Swing Dance Championships Teams Division Winners. Our team members and families did a phenomenal job and once again they showcased our dance with the utmost integrity and respect. We have a new routine and are preparing for an amazing few months leading into summer. Everyone has worked really hard with their creative, incredible ideas to fundraising.

Since January, we danced at the Charleston Shag Classic, we will be dancing at the O.D. Arcade the first Sunday of S.O.S following the brunch hosted by the O.D. Shag Club and in May we will be going to have fun with the Cape Fear Shag once again in preparation for Grand Nationals and immediately after GNDC we will all be departing across the pond to Paris, France for The French Open! We are extremely excited about attending The French Open, the premier swing dance competition in Europe. As was the case in Australia, Brennar Goree has a great following and has taught Shag in Europe on many occasions and there are lots of dancers in Europe who love our dance and music because of Brennar's teaching, coaching and mentoring.

Because of all the support and generosity of all of you, the dreams of our youngsters are being supported and those will be memories and experiences that will never leave them. Not everyone may notice the difference your support makes but rest assured the impact is immediate but not only does it help on the frontside; it also helps to mold and instill the value of hard work, commitment and dedication.

We look forward to seeing all of you at NMB and within the various club functions we will be attending. Lastly, without the selfless donations and contributions from all of you, we would not be afforded these opportunities! It takes a village to help a group our size and I don't know what other village I would rather be a part of than "Shag Village"!

Best regards, JSDT Team
