Subject: ACSC August 2014 E-notes
Date: Tue, 26 Aug 2014 22:21:59 -0400

Dear ACSC Presidents,

This certainly has been a busy summer for us all with family and shag club activities. Fall is just around the corner. I plan to send you monthly e-notes in conjunction with "Tips and Tidbits". Please pass this information to your officers and membership.

Fun Monday Tickets:

Fun Monday Raffle tickets are due August 31, 2014. I want to send a big shout out of "THANKS" to each and every club and club member who participated in the selling of the tickets. This helps make our event such a huge success and we do appreciate your efforts.

I would like to send Rosemary Parten a special "THANKS" for her hard work in coordinating the Fun Monday Ticket sales. If you have any questions she will gladly answer those by calling her at 919-774-8090.

The Fun Monday drawing was started as a way to finance the events of Fun Monday. The drawing generates the income that pays for all the activities. There is no charge for people to attend the events of Fun Monday. It only takes you \$10.00 to make you eligible to be in the drawing. The first ticket drawn wins \$7,500, the second wins \$2,000, the third wins \$1,000, the fourth wins \$500, and the fifth and final ticket wins \$ 250. After all the bills are paid there is a donation made to Caring For Kids which is the chosen charity for the Fun Monday Enhancement Committee. The Caring for Kids charity is a great organization that helps a lot of kids. There are 100 tickets dispersed to each shag club that attends the A.C.S.C meeting at the spring S.O.S. The representative that receives the tickets then takes the tickets back to the club for the members to buy or sell all the tickets. If you would like to have a chance at winning see your local shag club president or call 1-919-774-8090. You can email questions concerning the Fun Monday raffle and ticket sales to the Fun Mon-day Chairperson for ticket sales at randbparten@windstream.net.

Don't forget: No coolers or umbrella's during these events. It is very important to stay hydrated during this time. Also , don't forget your sunscreen!

***** CMBA Members***** When casting your votes for Event of the Year, please vote for Fun Sunday and Fun Monday. This event is provided to you at SOS and is always a huge success. The Enhancement Committee works very diligently to provide this fun event.

It's UMBRELLAS ONLY on the Beach from May 15 to September 15 annually!

A new law is now in effect in North Myrtle Beach that bans the use of shading devices other than umbrellas on the beach from May 15-September 15 annually. Tents, tarps, cabanas, pavilions, sport-brellas or devices similar to sport-brellas, or any material mounted on supports are prohibited on the beach May 15-September 15.

In the new law an umbrella is defined as being a "...collapsible circular shade consisting of a natural or synthetic fabric shade stretched over hinged ribs radiating from a central pole without grounding lines or ropes." An umbrella is further defined as having a center pole "...no greater than 7 feet 6 inches in height and a circular shade no greater than 9 feet in diameter.

Public safety concerns led to the creation of the new law. On any given day during the summer season, there are around 100,000 people in North Myrtle Beach, many of whom like to enjoy the beach. Prior to the early 2000's, visitors and residents mainly used beach umbrellas for shade from the sun. However, especially over the past several years, the use of tents on the beach as a method of providing shade from the sun grew exponentially. Their proliferation on the beach made it very difficult for public safety personnel to reach those with medical and other emergencies in a timely manner. It is easier for public safety personnel to move one or more umbrellas to access an emergency than it is to remove one or more secured tents.

For a copy of the complete ordinance on shading devices, visit www.NMB.us and on the homepage click on the link entitled, "It's UMBRELLAS ONLY on the Beach" or click on the link entitled, "Beach Laws."
