Helen noted that an information bar was suggested and could include time, date, and local forecast.
- D. Ron reported that shag club card sales to date are 3,706 with that being about 370 less than last year at this time. Ron feels that the September count will be good and will pass last year's total of 4,070. The total through Mid Winter, the mail, internet and shag clubs total 5,330.

Ron reported that some of the SOS Board members went to the Council meeting on Monday and we received a Proclamation from the City of North Myrtle Beach.

Linda McVey, Chatham Area Shag Association noted that attending the mandatory number of meetings puts a burden on the smaller clubs and asked the Association take that into consideration and she felt other clubs had that same concern. Judy responded that we are going to look at that issue.

Motion made and seconded to adjourn the meeting. Meeting adjourned at 11:12 a.m.
