He stated that there were 4 ladies that are underappreciated, under recognized and under rewarded. Bob went on to tell us about these 4 ladies. He noted first that Peggy Whisenant is the wife of Ron and Ron has been involved in shagging since 1981 when Rock Hill was formed. 1984 the Association was formed and Ron was there and Peggy was there also. Bob stated that Ron had sacrificed 1,000's of hours and so had Peggy. Peggy has been with Ron through the criticisms and the praises. The second lady Bob talked about was Carolyn Phifer. Bob noted that Hector had suffered criticisms and praises and that Carolyn had suffered with him through the criticisms. Hector has devoted

1,000's of hours and Carolyn has been right there with him. The third lady that Bob talked about is Marie Taylor. Bob stated that he and Larry Taylor sometimes didn't see eye to eye and that Marie had to be a referee sometimes. Bob stated that Larry had become an ICON and was one of two SOS Chairman's that has passed. Marie didn't give up on this organization and is still active in her shag club and has been club president several times. Bob stated she is going to be inducted into the Living Legends in Virginia. Bob stated that the last lady he wanted to talk about was Miss Chick. He noted that Miss Chick had been with Dr. Phil during the buying of SOS in 1988, that she was there with Ron and Dr. Phil when all the shag clubs and the Association were formed, when the shag dance was made the state dance of South Carolina she was there with Dr. Phil. Bob stated when Phil took criticisms she took them also. He noted that when everything was done and the 1,000's of hours Phil put in, she was there.

Bob asked what he wanted the Board of Advisors to do, was to suspend the rules for the ICON nominations election one time and to vote by acclamation to put these ladies, these stalwarts of our Association and SOS (as ICONS), "I want them elected as Shagging ICONS and I want their bios printed in the next *SOS Carefree Times* and I want their awards ceremony made at the next SOS". Bob asked if he could get a motion. Motion made and seconded. Bob stated by acclamation all those in favor (say I) opposed (none). Bob thanked everyone and asked the 4 ladies to come up front. Bob stated that this was by him and no one on the Board had anything to do with it. He stated he didn't want anyone to get blamed for anything that he did out of order.
