

HALL OF FAME FOUNDATION

Established 1991

September 15, 2021

Dear Friends,

The Hall of Fame Foundation and SOS are once again hosting the Eddie Monsour/Al Cain Memorial Golf Classic on Saturday, October 30, 2021, at Valley @ Eastport Golf Course in Little River, SC. In addition to being a fundraiser, this is a fun event and begins with a Pairings Party on Friday night, October 29, in the back room at Fat Harold's with food, a DJ, door prizes and a 50/50 raffle.

We are encouraging businesses, organizations, shag clubs and individuals to sponsor a sign that will be placed on the tournament course. Often these signs are used to honor friends or family members, as a memorial to those we have lost or for advertising a business/organization. The cost of each sign is \$100.00 and that amount is tax deductible. If you do not choose to sponsor a sign, any monetary donations, door prizes, auction items, etc. would certainly be appreciated.

This event has been our largest fundraiser for years but we are hoping to make it bigger and better this year because, as we all know, the pandemic made this past year a difficult time for everyone. The HOFF has been helping families and individuals in dire need for over 30 years and your support will help us continue our mission of "Friends Helping Friends."
