OfficesHeld_Term Upstate Shag Club Vice President - 2007
Upstate Shag Club President - 2008

Qualifications I am a member of the Upstate Shag Club, as well as a member of the Mountain Shag Club, R&B Shag Club, Carolina Shag Club, Sumter Shag Club. I have attended every SOS event for 21 consecutive years. I have also served the Association of Beach and Shag Club Deejays as their Sargent at Arms for two terms, Secretary for two terms, Treasurer for one term, Vice President for one term, President for two terms, and I'm currently serving on the board as Past President. As a DJ, I have played in 8 states along the eastern seaboard, played many weekend park and parties,

multiple ACSC Summer Workshops, and for 64 current ACSC shag Clubs and 5 That are now defunct. I believe that my service record makes me a viable candidate and the area I have traveled through DJing gives a good idea of the concerns about our shag community. Thanks for the opportunity to submit this application.
