CheckboxSingle	The purpose of ACSC is to be the 'glue' and leadership of the clubs. I feel that communication is the key to growth and will always encourage

interactive ideas and practices that nurture our dance. ACSC Clubs and the ACSC Board, working closely with SOS, should always work together to be the best we can. With experience on the Rock Hill Shag Club Board and the ACSC Board, I feel that I have proven my passion for the Carolina Shag and the people represented. It is always my goal to preserve and promote the Carolina Shag and develop new ideas and concepts to achieve these goals. I would love the opportunity to continue the tasks at hand and represent the history and future of The Carolina Shag and Association of Carolina Shag Clubs.
